

AVF Ecully is a welcome association the aim of which is to help you to settle in your new city.

AVF Ecully has today 250 members.

Our association is only managed by volunteers and keeps its initial calling: to be the first link between all the newcomers to Ecully and its neighborhood. The volunteers organize for the members, all the year long, many events which give the opportunity to discover the city, its neighborhood, and to live warm meetings.

COME AND MEET US DURING THE WELCOME HOURS ON THURSDAY MORNINGS FROM 9:30 AM TO 11:30 AM.
